

PLUSH MILLS

Senior Living, but different.

What is important to you
right now?

That simple question defines the Plush Mills difference.

A new concept in senior living: completely customized support, distinctively sophisticated surroundings, and unparalleled hospitality.

We recognize that needs and desires change. We can customize the services we offer – from fully independent living to personalized care. You can create a lifestyle that is as individual as you are.

Big enough to count on. Small enough to care.

Plush Mills is just the right size – large enough to offer a full range of services, yet small enough to provide truly individual attention.

You stay in control of your assets.

Plush Mills is a rental community without large entrance fees or buy-ins. It's your nest egg, it should stay with you. Renting guarantees you a role in decision-making.

Here, you are heard. 🌿

Staying Home

From painting landscapes to exercising in the gym, I'm always on the go. When an injury threatened to slow me down, Plush Mills created solutions just for me. I love the fact that this is not a paint-by-numbers place.

Plush Mills keeps you connected to the community you love and the friends and family you cherish, while building new friendships at a place you'll be proud to call home.

We are more than conveniently located; we are community oriented. Your family and friends are always welcome, and Plush Mills provides programs and activities aimed at delighting visitors as well as residents. It's so easy to host guests here – in your apartment, our dining room or club room – entertaining becomes fun again. 🌿

So proud of my granddaughter.

I can still exercise my green thumb.

I love gathering with neighbors in the Pub.

A Slice of Life

I've taken up more new hobbies and made more new friends in the last few months than I have in the last ten years. I'd never heard of petanque, now my new neighbors and I play every week.

A Week at Plush Mills

Sunday – Go for a scenic drive in the country and be home in time for a special brunch and then take in a movie in the theater.

Monday – Start the day with breakfast in the Sage Dining Room. Hone your skills at Bridge Club, then get up and get moving with Move for Life, our own balance, strength, and mobility program.

Tuesday – Find your muse with the writers in the Creative Writing group. Later, join the gang for line dancing.

Wednesday – Meet up with Lunch Club and head out to the new restaurant in Media that everyone's been talking about. Have an early dinner so you can join the players on Plush Mills' petaque court.

Thursday – Attend a late-morning lecture about Philadelphia's public gardens and enjoy an evening recital on Plush Mills' grand piano.

Friday – Take part in the group training session in the Fitness Center. Gather with neighbors in the Great Room for a wine tasting.

Saturday – Have your daughter and her family over for lunch in the dining room, then have fun with the grandkids making "Sundaes on Saturday."

What did you do today?

At Plush Mills, there's always fun to be had and someone to share it with. Whether you like to get involved in everything or just join your neighbors for Happy Hour in the pub before dinner, you pick and choose; do a little or a lot. 🌱

Life is sweet... and savory.

Plush Mills suits us to a tee. We've found the perfect balance between privacy and community – enjoying the company of our neighbors when we choose to, and reserving time for just the two of us.

Distinctive Dining

You've eaten thousands of meals in your own dining room. When deciding to make a move to senior living, food can be a concern. We know how important it is to get it right.

We've struck a balance between home cooking and fine dining. Monthly, residents meet with our Dining Director to talk about what they love, what they like, and what they'd like to see changed.

Your monthly meal plan is yours to use as you please. Treat a guest to lunch one day, have dinner in the dining room with neighbors the next. Or, order your meal 'to go' and enjoy it in your apartment. 🌿

What's on the Menu?

Start off with a bowl of soup or a cup of chili, add a caesar salad or some simple greens. Then, choose a favorite from the regular menu; maybe a center cut filet mignon or our famous crab cakes, or try the Chef's Daily Special. Finish up with some fresh fruit, or indulge your sweet tooth with crème brulee.

We make great dining a high priority and it shows. Join us for lunch or dinner and see for yourself.

Whether you are opting for lighter fare, savoring a refined meal in our restaurant-style dining room, or joining friends for a Happy Hour in the Pub, the menu is always right. Count on seasonal and sophisticated chef-prepared meals, built around a foundation of fresh, quality ingredients. 🌿
